

Swim with Mig!

The 2009 Philippine Winning Spirit Clinic Series

Making Filipinos Proud.

During a quick lunch at the 12th FINA World Swimming Championships in Melbourne, Australia Miguel made statement in response to a question from then-PASA Secretary General (now PSC Commissioner) Akiko Thompson who asked Miguel what his driving force as a swimmer is. This is what Miguel Molina's swimming is about. But there is a whole lot more to Miguel Molina than what makes a Champion tick from Mig. Mig is indeed among the few Filipinos that have chosen the path less traveled.

Watch and listen to a 2-time Olympian and SEA's back-to-back Most Outstanding Athlete. Ask him questions, become his friend and learn from. This is an opportunity not to be missed. Swim with Mig! Win with Mig!
